

Trust Cuticura Anti Bacterial Hand  
Gel to protect your hands when  
you are out and about.

Our quick drying formulation  
kills bacteria fast whilst leaving  
your hands feeling clean, fresh and  
lightly scented. Dermatologically  
tested and approved.

**DIRECTIONS** Squeeze a small amount onto dry hands.  
Spread from the fingertips over palms and backs of  
hands. Allow to dry without wiping or rinsing.

**INGREDIENTS** Alcohol Denat., Aqua, Propylene  
Glycol, Carbomer, Triethanolamine, Parfum, Benzyl  
Benzoate, Linalool.

**ACTIVE INGREDIENTS** Ethanol 57.6%. PCS97114

**WARNING** Flammable liquid and vapour. Keep away  
from heat. No smoking. Avoid contact with eyes.  
In case of contact rinse eyes thoroughly with tepid  
water. Do not use on broken or irritated skin. Keep out  
of reach of children. If swallowed, seek medical advice  
immediately and show this container.
