**LED cleaning indicator**

- o Powerful Longlife digital motor
- o Long range up to 130 m<sup>2</sup>
- o With patented, flexible suction channel
- o Simple and intuitive operation
- o For hard floors and short pile carpets
- o Efficient 3-step cleaning programme
- o Optimal corner and edge cleaning thanks to extra long side brushes
- o Rubberised furniture protector
- o Especially flat for cleaning under furniture - only 7 cm high
- o Stair step detection thanks to modern sensor technology
- o Practical LED cleaning indicator and charging indicator light
- o Short charging time: max. 4.5 h
- o Long running time: approx. 120 minutes
- o Long range: 130 m<sup>2</sup>
- o Pleasantly quiet: 65 dB(A)
- o Incl. accessory set: cleaning brush, replacement filter, 1 pair of replacement round brushes

## Technical data

- o Lithium-ion polymer battery (11.1 V/2,500 mAh)
- o Charger (19 V)
- o Power consumption: max. 20 watts
- o Suction power: 66 mmAq/650 Pa
- o Colour: graphite grey
- o Net weight: approx. 1.5 kg
- o Gross weight (incl. packaging): approx. 2.4 kg
- o Packaging dimensions: 31.8 x 10.8 x 36.6 cm
- o Packaging unit: 4 pieces
- o Gross weight PU: approx. 10.4 kg
- o EAN No.: 4260698170003
- o EAN-No.: Outer packaging: 4260698170010 (PU 4)
- o Container quantity:  
20' = 1.968/40' = 3.984/40'HQ = 4.200 pcs.
