SCENT OF COLOUR

Crafted with wellbeing in mind and made to delightfully linger on the skin but in no way overpower, the beautiful scents are enticingly woven and layered. The main fragrances are Oud, Rose, Bergamot, Vetiver, Neroli and Cedarwood and each has a sublime story to tell. Beautifully mood-enhancing.

Prismologie taps into the incredible effects that colour and scent have on our emotions. The body care products which consist of body cleansers, creams, scrubs, oils and candles are indulgent and create mood-enhancing experiences. It was whilst HRH Sheikha Intisar Al Sabah was hosting a colour therapy workshop that a lightbulb moment struck.
