
We have approximately 1.9 mil in Connecticut but review below the other cities which are very close to our facility in Rancho Cucamonga Ca. We can at least get you up to 14 million just in California, will have to re-box a few to get to that number. It will look just like the Factory box but with no printing on the sides of box (could be an added cost). Reach out to me if you have any questions.

1. Rancho Cucamonga, CA: 7,128,000* In factory packaging/58,320** needs to be re-box Total 7,186,320
2. Riverside, CA: 1,634,904* In factory packaging/423,792** needs to be re-box Total 2,058,696
